The [Social Supermarket](#) is about so much more than food!

Members pay £3 per week to shop, and can join activities, receive advice and support that help make positive changes to their lives.

The Social Supermarket was the first group that Making Our Money Go Further were able to provide regular face to face support for and we joined them just as some new members had started.

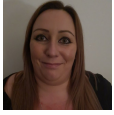

Since July 2021 we have helped over 30 clients in a variety of ways. Some have been referred through to Citizens Advice Rotherham for individual support, others have formed or joined groups the project supports, some have been signposted to other services but for many, just to have someone to chat to was all the help they needed.

September saw many of the people we first met in July graduate from the Social Supermarket and it's been an absolute honour for us to have helped support them through that journey.

UPDATES FROM THE TEAM

Claire

I've attended lots of events and sessions this month. As well as supporting clients at the Rotherham Foodbank and Social Supermarket each week, MOMGF were in Maltby at a pop up event with the local ward councillors and other organisations where I was able to talk to people about our service.

At our first parents breakfast club at Ferham Primary school, which was well attended, I was able to talk to families about what help and support they would like to see.

There have been a couple of sessions I have run at the Unity Centre, the monthly Job / Benefits club which had Citizens Advice, Pathways and Working Win attend to help people and the Warm Homes event that was run with the Energy Know How team where we had people taste test hot & cold drinks.

Karen

During September I have been out and about visiting groups across Rotherham and talking to them about the project and ways they can get involved.

I'm really excited to be supporting a couple of new groups that have started in Rawmarsh, the S62 Community Together Rotherham and the Rawmarsh Community Allotment group. Both have lots of plans and ideas they want to implement that will benefit members and others.

I've also spent some time in Swinton, helping to support the uniform drive at St John's and attending the Swinton War Memorial event.

"I would have really struggled without the uniform drive"

"Thank you to everyone who has helped "
